Four years of customers' trust and support – AirBridgeCargo has been voted as 'Best All-Cargo Airline' in AFLAS

AirBridgeCargo Airlines (ABC) has been voted 'Best All-Cargo-Airline' for the fourth consecutive year in The Asian Freight, Logistics & Supply Chain (AFLAS) awards. The ceremony took place in one of the busiest cargo cities of the world – Hong Kong, China and brought together cargo peers who gave credits to the winners.

Hosted and facilitated by Asia Cargo News, the winners are recognized for their outstanding performance by leading service providers including air and shipping lines, airports and seaports, and logistics, 3PLs and other associated industry professionals. The nomination and voting processes allowed more than 15,000 readers of Asia Cargo News and e-news subscribers to first determine the leading companies in the market, and then choose the winners, making the results the opinion of service

users rather than a panel of judges.

“It is a great honor to be among the AFLAS winners for the fourth consecutive year. Not only is it rewarding but it also raises the bar for our further quality performance and development in the region. We are committed to support our regional growth to leverage emerging demand in South East Asia. The addition of Bangladesh (Dhaka) into our fold in the beginning of the year and increase of existing frequencies in Vietnam will bolster our regional coverage and create additional solutions for our customers”, - highlighted Eric Lamare, Vice President APAC for AirBridgeCargo Airlines.
