04.04.2012 | SCHIPHOL AIRPORT AWARDS AIRBRIDGECARGO AIRLINES

AirBridgeCargo Airlines was presented with the prize at the annual Schiphol Aviation Awards ceremony, which was held on Wednesday, 4 April.

ABC was one of the five airlines to be honored by Schiphol airport and got the prize in cargo sector. For the last year the largest Russian carrier has seen considerable growth which was also facilitated by the fact that carrier has chosen Amsterdam as its primarily European station for USA flights in April 2011.

The Schiphol Aviation Awards are being awarded in several categories based on a geographic segmentation and is given to celebrate valuable contribution made by the airlines to the development of aviation sector.

Apart from ABC Schiphol management marked out Vuelin, KLM and China Southern Airlines.
