

AIRBRIDGECARGO

AS EASY AS ABC 
ONLINE BOOKING

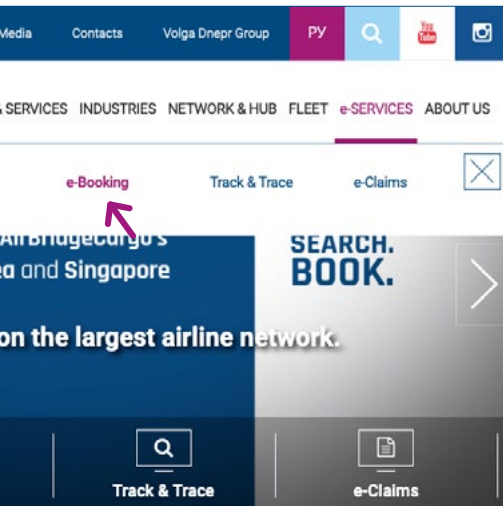

We always strive to deliver the best customer user experience possible. Over the last few years, we have worked on developing our e-services - adapting and upgrading our tools based on customer feedback we have received.

Our user-friendly interface and intuitive navigation guides you through the registration process seamlessly:

01 Visit our website www.airbridgecargo.com, click e-services and choose – **E-booking**.

02 If you are already a registered user, proceed with your account login and password. **New users will need to register** and fill in the required fields.

03 You will receive a confirmation e-mail from our CS manager (ebooking@airbridgecargo.com) with your login and password shortly.

E-BOOKING - YOUR ADVANTAGES

01 MOBILITY. Book your cargo with us 24/7 from wherever you are (whether at home or from the office) setting up the template for regular shipments.

02 EFFICIENCY. Online booking helps cut down on time - you will not have to fill in Excel files, send them to CS and wait for a reply.

03 TRACEABILITY. You will be able to view and track your bookings.

04 AVAILABILITY. Check schedules and choose flights through our online system.

05 FLEXIBILITY. With our e-booking service you are able to book your cargo on direct as well as multi-leg flights.
